

Certificate of Registration

PricewaterhouseCoopers LLP has assessed whether the management system at

KPM Industries Ltd.

3385 Harvester Road, Burlington, ON, L7R 3Y5

is suitably designed to provide reasonable assurance that the requirements of the standard noted below (the Requirements) have been met, as of July 4, 2018.

ISO 9001:2015 Quality Management System Standard

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to expressing an opinion as to whether the Requirements were met, based on our assessment. The ISO 9001:2015 standard can be found at www.iso.org.

Our assessment was conducted in accordance with the ISO 17021:2015 management system auditing standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met and performing such other procedures as we considered necessary in the circumstances. We planned and performed our work in order to obtain reasonable, rather than absolute, assurance with respect to the information examined. We believe our work provides a reasonable basis for our opinion.

In our opinion, the management system was suitably designed to provide reasonable assurance that the Requirements were met, in all material respects, as of July 4, 2018.

SCOPE OF CERTIFICATION:

The design, manufacture and distribution of consumer and industrial cementitious products (including merchandising, pricing and product development, new mix designs, purchased products-packaging development/design, revisions to established lines). Fabrication of metal products including repair and machining services. Supply and service of concrete mixing and placing equipment
